SUBSIDIZED HOUSING

The apartment complexes listed below have HUD-Insured and/or subsidized rental units that are privately owned. The manager of the individual complexes accepts applications for the rental units. HUD does not own the subsidized units/complexes; therefore cannot accept applications to any HUD office. It is the responsibility of the property owner or manager of each apartment complex to certify applicants and assign rental units. Any inquiries regarding your qualifications, your pending application, or whether a vacancy exists, should be addressed to the manager of the respective complex. Managers have information on current income limits and other eligibility criteria for participation in their specific subsidized rental program.

Each of HUD's subsidized rental programs has specific eligibility requirements relating to income, financial assets, family composition, and in some cases, other qualification criteria. It is the applicant's responsibility to furnish any information necessary to confirm eligibility. Failure to do so is a reason for owners or managers to refuse to provide a unit to any applicant for participation in one of HUD's rental assistant programs i.e., Section 8 and Section 236.

Section 202/811 HOUSING ASSISTANCE PROGRAM FOR ELDERLY AND DISABLED
These units are specifically developed for occupancy by Elderly persons (those 62 years of age and older) and/or physically or mentally challenged individuals. Challenged individuals must have a physical or mental impairment that meets all of the following criteria.

- The impairment is expected to be of long-continued and indefinite duration
- The impairment substantially impedes his/her ability to live independently
- The impairment is of such nature that ability to live independently could be improved by more suitable conditions. These conditions must be certified by a physician and the applicant must have an obvious physical disability

Occupancy by persons and families limited to those whose annual income at admission does not exceed the published maximum income limit established for the geographic area in which the complex is located. Participants are required to pay thirty-percent (30%) of their adjusted income for rental of these units.
